10/5 1439 *****MIXED AADC 07099

Dearest Friend,

*I am being rocked right now by incredible premonitions
bombarding my consciousness. What may soon, instantly
materialize is BOTH life changing and (BIG) beyond words!*

*Vast Prosperity and Enormous Material Breakthroughs
are all possible just ahead - Hurry!*

To My Very Dear [REDACTED],

This letter can not wait. Not another day. Not a minute longer . . .

I need you -- (right here and right now) -- to devote yourself to our union. To
look, for a moment, at the gray chart-graph above on your PSYCHIC OUTREACH AND
GUIDANCE RESERVATION LABEL, and to understand as I talk to you, as I explain to you
. . . that a phenomenal profusion of RICHES and PROSPERITY may pour into your future
very, very soon. Blessing you with staggering privilege and AFFLUENCE, and bringing
you, quickly, an extraordinary wealth of FORTUNE and comforts beyond belief!

YES, [REDACTED], hear me out on this . . . do not stray or waiver or let outside
distractions creep into your thoughts, for I need your absolute con- centration -- I
need your faith and your trust in yourself. Even more, I need your conviction, for
beginning on or about JULY 3, 2015 and extending for

-2-

77 benevolent days, a bank of unexpected, spectacular circumstances may quickly transform your life with breakthroughs and rewards of an indescribable magnitude. Delivering you . . . SUDDENLY, ALL AT ONCE — into a stunning, breathtaking future brimming with luxuries and lavish possessions.

I MEAN THIS, DEAR FRIEND. EVERY WORD!! . . . *You may soon have EVERYTHING!*

. . . I am talking about extraordinary prosperity and grandeur. A MAJOR WINDFALL perhaps, spontaneously unfolding, HUGE. HAPPENING IN A FLASH. Fulfilling you, freeing you . . . liberating you with riches and worldly comforts. With success and genuine happiness and personal fortune. Significant. Splendorous. Far-reaching.

(YES, THIS PENDING PICTURE IS INCREDIBLE.
THIS PROSPECTIVE TRANSPARATION . . . IT IS OVERWHELMING AND MAGNIFICENT!)

BOUNTIFUL . . . BEAUTIFUL . . .

Let me continue . . . allow me, I should say, right now, immediately . . . to pull you into my world, where profound prophecy and psychic envisionment prevails. Where para-phenomenological essences and mysterious divinations exist. Premonitions. Jolting revelations. Let me share everything with you — directly, secretly, explicitly — telling you exactly how and why this letter has reached you. *Read this carefully!*

First, foremost, as we go forward, understand that my sacred gift of spiritual intermediation enables me to "see" into the future. To connect, paramystically, with energies and forces which exist in other forms, other worlds, other dimensions.

I am able, somehow, to do what no other clairvoyant or astrologer can do. For not all astrologers are psychic. And not all psychics are astrologers. BUT I, LEE MOORHEAD, AM BOTH. *My success is widely known!*

I can track and chart the stars and planets. Anticipating their movements. Predicting their subtle rotations. Calculating the natal relationships of the constellations. Monitoring the distant galaxies and heavenly bodies. AND — I CAN DETECT IMAGES AND FRAGMENTED PICTURES AND DRAW MYSELF INTO THE HEIGHTENED DOMAIN OF THE SUPERNATURAL. Co-existing in an altered realm of an undefined universe. Speaking to entities which only I can clairvoyantly, intuitively engage. Telepathically communicating with paranormal presences. And then — using my rare gift of esteemed prophecy, I can isolate, configure, crystallize and interpret with pinpoint accuracy, the pending events of 'tomorrow' . . . opportunities and breakthroughs and prospective VAST INHERITANCES which have yet, dear friend, to unfold.

HEAR ME OUT, UNIFY WITH ME, in a spiritual sense of collective harmony, for this crucial period just ahead . . . imminently unfolding . . . will NEVER, EVER COME AGAIN!

In fact — you must, at this moment, attach your deepest, uncompromising belief and allegiance to me. YOU MUST DO THIS! For there have been two distinct, miraculous phenomena which have synchronously occurred. Together, simultaneously, transpiring as I will elaborate to you. Coinciding at the exact same time!

WHAT HAS HAPPENED IS UNBELIEVABLE . . . THIS BINARY DYNAMIC OF UNIVERSAL FORCES — MERGING, AS I WILL EXPLAIN. POURING FORTH. JOINTLY SPEAKING TO ME . . .

. . . EMANATING AT ONCE — ASTROLOGICALLY, IN THE CONFIGURATION OF THE STARS AND CELESTIAL OBJECTS NOW LINING-UP AS I HAVE NEVER WITNESSED BEFORE. AND PSYCHICALLY — IN THE REALM OF PREMONITORY VISIONS INFILTRATING MY SENSES WITH INTENSE, BRILLIANT PICTURES OF WHAT MAY SOON BE MASSIVE REWARDS OF PERSONAL ATTAINMENT!

Let me back-pedal, momentarily, to the day before yesterday. At exactly 4:48am, I could not rest. I could not sleep. *This happened yesterday!*

I was alone in my chamber-room. The night was dark and black, quiet, moonless. My astral charts which I had positioned earlier in the day on my work-table were still open where I had left them. Mental observations of the celestial globe (i.e. my tracking of star movements) had already given me an electrifying sensation of something astronomical on the cusp of materializing. Some sort of extraordinary event looming. Setting up for an unaware beneficiary. Someone whose near destiny was slotted, fated for immense potential breakthrough

Prospective rewards are
STAGGERING!

I am talking directly to YOU!!

and vast windfall. Flooding in. Pending DIVIDENDS, BIG . . . just days, weeks away. A deliverance perhaps — huge affluence, limitless prosperity, fortune. Not far off.

(Stay with my time line, dear friend. 4:48am, the day before yesterday.) . . .

I rose from my bed. I couldn't take my mind off my tracking data. What my charts were showing me, telling me. The maneuvering of the major stars and planets. Their spatial relationships. Their correlating motions. How they were shaping up, grouping. (It was riveting. Dramatic. Utterly spectacular!) *!!*

I have seen the arrangement of stars on two separate occasions before, when they were aligning in a near-perfect symmetry. Conjoining. Drawn almost, into a special cohesive pattern. A divine configuration — empirically powerful. Releasing invisible latent energies and creating a cosmological force-field which settles into a kind of umbrella over individuals who are about to enter a zone of amplified destiny proliferation and predisposition for major rewards, sudden good luck, blind success, privilege, inheritances, possessions, luxuries — even opulence.

TWICE BEFORE, but never like this . . .

Twice before, I have seen brief spurts of this universal power vortex at its greatest intensity. Such periods produce immense conceivable upswings for staggering fulfillment, super-riches, material comforts, personal happiness and golden opportunities for fabulous GAIN which is voluminous beyond comprehension.

And yet, dear friend, the period now, at hand, is unprecedented.

Yes!!

Let me fast-forward to this minute now . . . this moment in the present.

My analysis, bearing into account detailed quantitative assessments — points to a gigantic astral "cloud" . . . a master swath of charged energy which will extend, according to my calculative projections, for 77 'HOT' DAYS. Earmarking, targeting, and in so many words — wrapping a fiery halo around those whose destiny-track is fixed for every manner of prosperity humanly possible!

You must, here, at this juncture of my private outreach to you . . . you must know and fully grasp why I am furiously writing out this letter. Why this crucial correspondence is now entrenched and clasped in YOUR hands.

Your immediate future may transform your life!!

Heed our association, dear friend, I implore you . . .
READ CAREFULLY. There is more I need to share with you.

As I have told you, I am a renowned astrologer, but I am much more. I am a Prophetess, a Grande Psychic, and my powers transcend the spiritual dimensions which others cannot see. I am a channeler, an intermediary — and it was early morning, two yesterday's ago at the time of exactly 4:48am . . . that I also felt the presence of paramystic messengers reaching out to me. Beckoning me.

It began with quiet whispers. Shallow voices. Hushed tones calling out, speaking in scattered utterances. Some kind of para-phenomenological force, trying to get through to me, to convey messages. Repeatedly infiltrating my mind with words and telepathic images of something forthcoming. Sudden. Spontaneous. BIG, splendorous. An event which may be literally life-changing . . . a winning-out of some kind . . . providing breakaway fortune, endless luxuries, and even more — a complete freedom and independence from stress and chaos.

Listen to me. Let me finish. *The activity of the spiritual world speaks volumes!*

My role in all of this, my reasons, my motivations, is to see you blissfully fulfilled and RICH with every conceivable reward and pleasure attached to your immediate destiny. I mean this, dear friend. This is my duty and my oath and my sole purpose here on this earth.

And this is why, I swear to you, that I have placed a special RESERVATION LABEL on the front of this letter, with your name imprinted directly on it.

I need you to carefully remove this label, to place it exactly where I have indicated on the next page. I NEED YOU TO SIGN YOUR BIRTH NAME ON THE LABEL, IN THE AREA SPECIFIED. (NO ONE ELSE IS TO TOUCH YOUR LABEL. JUST YOU. PROMISE ME. JUST YOU.)

I then need you to reply, at once, today. Do this for me, please my dearest friend,

turn and continue on the final page...

without hesitation, for I am compelled to guide and enlighten your life. To bring you to that place in the future, already developing and almost here, now . . . where every possible wealth has been captured and rests securely in your hands, [REDACTED]

I can feel things happening, right now. Events -- significant, substantial. Vast prosperity, major gain . . . maybe very, very soon. Materializing in a rush, sometime just ahead, within my projection beginning July 3, 2015 thru September 18, 2015. (77 days!!)

((I need to crystallize my prophecy on your behalf. I need to touch the surface of your RESERVATION LABEL, rub my fingers across your signature -- feel you. Your vibrations. Your spiritual rhythms. Your karma.))

This is why I need you to return your signed RESERVATION LABEL.

Do this for me!!!

I am going to then, quickly, get back to you. Writing out for you everything that I foresee, compiling it into a detailed Report Manuscript -- my vision and secret notes, my revelations, intuitions, premonitions. Events, opportunities, sequences ahead, breakthroughs looming. How. When. All written to you candidly, privately. Inheritances threading your way. Rewards. THIS IS TO BE YOUR GUIDANCE . . . YOUR ROAD-MAP, [REDACTED]

For all of this, in return, I ask of you only a one time guidance fee. Is this fair of me? For all of my time, my deepest prophecy, my effort, my energy, my meditative thought, my concentration and divination, and for all of my deep skill as a renowned and gifted psychic?

Let me promise you, in answer, that I will send your money back for my guidance fee, ALL OF IT, every penny, if your greatest satisfaction is not reached. If your dreams are not surpassed. If your life is not transformed with indescribable jubilation in the days ahead.

Please . . . whatever you do . . . do not confound yourself with questions concerning the mystery or "timing" of fate. KNOW ONLY THIS: That I, Lee Moorhead, have read the future of countless others, and they would tell you, positively . . . that LEE MOORHEAD'S PREDICTIONS ARE SPOT-ON! DEADLY ACCURATE!!

Thus, do not wait or freeze in perplexion. There is NO-RISK to you, none at all. There is only the future, your future, and what I foresee, and how it may quickly, everlastingly illuminate you with spectacular ABUNDANCE AND AFFLUENCE.

Grab it, [REDACTED], I have never been more sure of my powers, or of the bounty that lies . . . ahead!
